

## U. S. MARINES ARE ORDERED TO CUBA

Two Thousand Will be Held for Probable Use in Mexico

## TAFT PLAINLY WORRIED

President Opposed to Taking Any Measures Unless Extremely Provocated

## MILITARY LEADERS NOTIFIED

WASHINGTON, FEB. 17.—Two thousand United States marines from various barracks along the Atlantic coast to day were ordered to Cuba, there to be held in readiness for possible use in Mexico. Half of them will leave tomorrow night from Philadelphia on the army transport Meade already on its way from Newport News for the purpose. The second thousand will start from Norfolk on the naval transport Prairie, which it is expected will clear Wednesday. The marines will be drawn from the barracks at Norfolk, Washington, Philadelphia, New York, Portsmouth, Boston and Charleston.

Guantanamo is the present objective point of the marines who will be established in camp in connection with the fleet under the command of Rear Admiral Badger. Whether these men will get further than Guantanamo will depend upon Mexican developments.

Besides the movement of marines two army transports were ordered tonight to proceed at once from Newport News to Galveston, Texas, where they might be close at hand for the movement of troops from the border should any unexpected emergency arise. Early in the day the third cavalry at Fort San Houston was directed to hold itself in readiness to entrain for Galveston prepared for foreign service.

The government has no transports available in gulf waters and investigation disclosed that to engage commercial vessels in time of emergency would entail enormous expense and delay would result in preparing them for transport service. It was therefore determined to send two of the transports at Newport News to the Texas port to await further orders. It was not announced which transports would be sent by the McClellan, Sumner and Kilpatrick are prepared for service.

**Col. Karmany Commands Marines.**  
Marine brigades will be in command of Col. Lincoln Karmany, the first regiment, which leaves from Philadelphia being in charge of Col. George Barnett, of Philadelphia, with Lieut. Colonel John A. La Jeune of New York, second in command. The second regiment, sailing from Norfolk will be under Col. Jos. H. Pendleton, who was active in the recent activity of American marines in Nicaragua and Lieutenant Charles G. Long who will be second in command he withdrawal of this large number of marines, means, it is said, that that branch of the defensive service of the country probably will be obliged to go entirely unrepresented in the inaugural parade. It had been planned to have about 1,000 marines in the long line on that occasion.

At the various Atlantic Coast barracks there are 3,330 marines, the number at the places to be drawn on in the present movement being: Norfolk, 785; Philadelphia, 769; New York, 773; Portsmouth, N. H., 364; Washington, 356; Boston, 347; Charleston, 148.

In addition there are with the Atlantic fleet 1,462 marines.

**President Taft Plainly Worried.**  
President Taft is plainly worried by the fact that although he has only 15 ore days to serve in the white house the situation in Mexico shows little signs of becoming less troublesome. The president has no desire to leave over for Mr. Wilson the settlement of this country's relations with Mexico, but he is decidedly opposed to taking any measures himself unless extremely provoked, and wholesale murder of Americans drive him to it. The president told friends to day what a difficult thing it would be for a new administration to gather up the reins of the government and understand the conditions of the Southern Republic in a few weeks or in a few months. He is of the opinion that it would take at least six months for Mr. Wilson and his cabinet to grasp details of diplomatic negotiation, of troops and battle ship movements and of international niceties that he and his cabinet have acquired in two years close study of a condition that never has ceased to confront them.

He has informed his advisers that he will be president up until Mr. Wilson takes the oath of office and that if intervention is demanded by congress on his last day in office he would not hesitate to concur. But he hopes that he will not have to act and then move into the background, leaving a new president and inexperienced administration to struggle with the real problem.

**Further Precautionary Measures Taken.**

## POET OF THE SIERRAS DIES IN ONE-ROOM HUT

JOAQUIN MILLER'S DEATH IS DUE TO OLD AGE

Was a True Poet of the West and One of the Most Picturesque Characters in the Literary World of the United States in His Day.

SAN FRANCISCO, CALIF., FEB. 17.—"Joaquin" Miller, the poet of the Sierras, died today in his one-room cabin which he built with his own hands in the Piedmonts many years ago, with his daughter Juanita Miller, and his wife, who were with him. The end came at 3 o'clock in the afternoon with warm sunshine flooding the room where lay the author of "Songs of the Sunland."

Death came slowly upon the venerable poet. He became unconscious Thursday after a lingering illness which began when he succumbed to an attack of paralysis two years ago. His wife and daughter were summoned at that time from the east and had been with him since. The weakness of old age had crept upon him and although he worked at times, he rarely ventured from "The Heights," as he called his mountain retreat.

**One Poem Unfinished.**  
For many years "The Heights" has been the mecca of lovers of Joaquin Miller's poetry. He always received his guests graciously and loved to tell in a vein of quaint humor of the old, adventurous days which he memorialized in his verses. His faculties were undimmed until almost the end, and he worked at intervals upon a poem which he said was to be the most momentous work of his life. He guarded the poem with the utmost secrecy and not even his wife and daughter knew its subject.

Hope of saving his life ended yesterday when the attending physician announced that the end was only a matter of a few days. At noon today life was barely discernible. Sensitivity was the only cause of death the physician could give.

## ECKERT SUIT PLACED ON TRIAL

**Elder Son of Former Head of Western Union Seeks Share of Estate.**  
New York, Feb. 17.—The suit of James C. Eckert to obtain half of the three million dollar estate left by his father, the late General Thomas T. Eckert, head of the Western Union Telegraph company, was placed on trial today in the state supreme court here. The defendant is Thomas T. Eckert, Jr., the plaintiff's younger brother and the principal legatee. James C. Eckert was cut off by the will with a nominal sum which he forfeited, under the terms of the will, by bringing this contest. He alleges that his father, who was 92 years old when he died, was unduly influenced against him.

## \$500,000 FIRE AT QUINCY.

Quincy, Ill., Feb. 17.—The American Paperette and Envelope, and Mississippi Valley Blank-book company plants, known as the Dayton Tablet Works, were completely destroyed by fire tonight at a loss of \$500,000. The plants covered an entire block and burned readily although the fire men made a heroic fight to save them. The fire spread to the Quincy photograph engraving plant which was practically destroyed and to the Grimm boiler works and the Eagle Tobacco company. But slight damage resulted from the last two plants. One fireman was injured by being knocked off a ladder and five hundred employees mostly girls were thrown out of work as the result of the fire. Firemen got control of the fire at midnight after a five hours fight. The origin of the fire is unknown.

## COMMANDER TRANSFERRED.

Leavenworth, Kan., Feb. 17.—Brig. Gen. Potts was today relieved as commanding officer at Fort Leavenworth and the army service schools, and was ordered to Chicago to take command of the newly organized fourth army brigade. The general will take effect when General Potts' present leave of absence expires.

The fourth brigade, of which General Potts is to be commander, includes troops at Fort Sheridan, Fort Benjamin Harrison, Fort Thomas and other similar posts in the central states.

## MISS PANKHURST AGAIN ARRESTED.

London, Feb. 17.—For the third time in the month of February, Miss Sylvia Pankhurst is under arrest. She was taken by the police while engaged with other suffragettes in window breaking in the east end of London.

## VIATOR FALLS 300 FEET.

Vienna, Feb. 17.—Lieut. Mitner, of the Austrian army, while making a flight in a new aeroplane today, fell from a height of 300 feet and was killed.

## RESIGNS FROM STATE BOARD.

Chicago, Feb. 17.—Mrs. Ella Flagg Young, superintendent of the Chicago public schools, today resigned as a member of the state board of education. Her resignation was not due to politics she said.

## WILL RESUME TRIAL.

Washington, Feb. 17.—The anti-trust trial of the International Harvester company will be resumed at Omaha, Neb., March 4, when the defendants will begin the presentation of their evidence.

## GEN. MADERO STILL APPEARS OPTIMISTIC

Regards President Taft's Message as Friendly and Satisfactory

## FIGHTING CONTINUES

Federal Guns are Ineffectual in Dislodging Rebels From Their Fortifications

## DIAZ STRONGLY ENTRENCHED

**BULLETIN.**  
Mexico City, Feb. 17.—It is reported that Francisco De La Barra will be arrested at the first opportunity for alleged complicity in the rebellion.

**BULLETIN.**  
Mexico City, Feb. 17.—The federal forces were preparing tonight to use dynamite bombs in an assault on the Diaz positions.

A sustained attack by the federal forces against the Y. M. C. A. building, this afternoon was repulsed by the rebels.

**BULLETIN.**  
El Paso, Texas, Feb. 17.—Rebel forces began storming the palace early this afternoon with a twelve inch cannon, according to a private telegram received here today from Mexico City. An unconfirmed report said to have been transmitted over the wires below Juarez, reported that Diaz occupied the palace at 3 o'clock this afternoon. Censorship continues tonight however, on the Mexico City end of all wires below this point.

The rebels have advanced their lines and appear to be getting the best of the fighting.

The operations today were of a serious character. An American named Gibbons was wounded while crossing a street near the embassy this afternoon.

**MEXICO CITY, FEB. 17.**—President Madero today received the reply of President Taft to his telegram protesting against possible intervention in which President Taft assured him that the reported intention of the United States government to land forces in Mexico were inaccurate.

"I never expected anything less than this," commented Madero on Taft's message. "I regard it as satisfactory and friendly."

The fighting continued throughout the day, but the federal guns were quite as ineffective as ever in dislodging the rebels from the entrenched and fortified positions. Furthermore the federalists did not show the same aggressiveness which characterized their action in the early days of the battle. This is believed to be due to the fact that they realize that for the present the government forces are not of sufficient strength to defeat the rebels. General Huerta announced however, that he expected soon to begin an encircling movement in which bombs would be used at short range.

General Blanquet is loyal to the government and will be placed in command of the reserves at the national palace.

Both on Sunday and today Madero appeared sanguine of the ultimate success of the federal army. He declared that the outlook was optimistic and that he had the support of the people.

In his opinion, Zapata, the guerrilla leader, is not in favor of Diaz in the present movement. Nearly all the non-combatants have moved out of the danger zone. Bread and cornmeal are abundant in the capital and are being distributed among the poor.

## Rebels Hold Nuevo Laredo.

Laredo, Tex., Feb. 17.—Andras Garza Galan, rebel commander of Nuevo Laredo, sent a force of cavalry to a point 18 miles south of the order late today, presumably to intercept the 600 federal troops under General Naranjo, reported enroute from Monterey with orders to retake Nuevo Laredo. Telegraph communication to the south is interrupted and efforts to confirm a report that General Naranjo and his men were approaching Nuevo Laredo without result. No disorder occurred in the town today, but merchants have closed their stores and about 2,000 refugees have crossed to the United States because of rumors that a battle was imminent.

No information was received here today as to conditions in the interior except brief despatches sent over a circuitous route from Monterey, Saltillo and Tampico where quiet prevailed.

## Federalists Start Fight.

Mexico City, Feb. 17.—By Courier to Vera Cruz.—It was the federal forces that precipitated hostilities during the armistice on Sunday. Operations were resumed without warning when the rebels fired upon the federalists who were seeking to advance their lines upon the west side of the arsenal.

The movement was observed by the outposts and the word was passed to Captain Delgado, commander in chief of the rebel west

wing. He immediately gave orders to check the advance.

The firing in this section quickly provoked a return fire from the federal positions and within 10 minutes the big guns of both forces were in action as fiercely as at any period of the battle.

## Mains Used as Tunnel.

Immense water mains lying in the streets ready for installation were said to have been used as a tunnel by which the government soldiers approached the rebel lines.

The American ambassador and other foreign diplomatic representatives had received assurance early in the day that the armistice would be extended to 8 p. m. Monday as the removal of the foreigners from the lines of fire had not been completed. An accurate approximation of the number of dead and wounded in the eight days fighting is impossible. Government army officers admit 320 and 400 seriously wounded on the federal side. The Diaz adherents acknowledge losses of 80 killed and 100 wounded.

## Gather Dead in Wagons.

The ambulances of the Red Cross society have ceased attempting to remove the dead and are devoting their attention to the wounded. The dead are being gathered by the city's street cleaning department wagons and burned.

General Mondragon said that peace was earnestly desired by General Diaz, but only on condition that Madero, Jose Pino Suarez, the vice-president and the entire Madero cabinet resign.

General Rafael Davillo who was in command of the arsenal when it fell into the hands of Diaz a week ago, and Major Lopez Figueroa, chief of police of the capital who was taken prisoner later, still are held by General Diaz. It was reported that both had been executed.

From two o'clock Sunday morning until 12:30 Sunday afternoon hardly a shot was fired by either side. General Diaz' agreement to the peace proposal was based on its acceptance and observance by the federalists. He told the representative of the ambassadors that he was acting only on the defensive, and would be obliged to protect himself should the others reopen hostilities.

The truce was agreed to unconditionally by General Huerta who caused circulars to be distributed about the streets giving notification of the armistice and advising citizens and foreigners to make use of the lull to change their residence if they were located in danger zones and procure residence in safe places.

Suddenly and without apparent explanation firing was resumed in mid-afternoon. A few scattered rifle shots were heard followed by a machine gun.

Hundreds were caught in positions of extreme danger and were compelled to make their way back to the so-called neutral zone as best they could, dodging across streets under fire and at times running a risk of death from flying bullets.

## Wilson Visits Madero.

The truce was the result of a personal visit made by Ambassador Wilson, accompanied by the German minister, Baron von Hintze, to the national palace Saturday afternoon. The ambassador desired to see General Huerta personally, but was conducted to the president who protested that he would himself attend to the wishes of the foreign representatives. Ambassador Wilson, however, insisted upon conferring directly with the man in charge of the military operations of the administration. To General Huerta he explained his desire for the establishment of a neutral zone about the embassy, including an area of a dozen blocks in which were located the residences of many foreigners or houses which had become their temporary abodes as refugees from the zones of the fiercest hostilities.

## Tells of American Wounded.

San Antonio, Texas, Feb. 17.—A story of the wounding of Herman O. Weiss, a civil engineer of New York and Washington, during the fighting at Mexico City, was told by J. B. Gibson of Vancouver, B. C., who arrived here today direct from Mexico City. Mr. Gibson said that with Weiss was Sidney Southerland, a newspaperman, who also was wounded about the same time, D. E. Gamara and another American whom Mr. Gibson did not know were viewing Tuesday's battle from roof of a hotel. Weiss was hit by a bullet at the knee, the ball coming out at the hip but not touching the bone.

"At the time I left Mexico City, Thursday, Diaz was not only strongly entrenched in the arsenal and the Y. M. C. A. building," Mr. Gibson said, "but had men stationed on all the tall buildings in the neighborhood. It was said that about 30,000 rounds of cartridges were stored in the arsenal with sixty cannon and a number of machine guns. The accuracy of his fire was remarkable. He has some of the best riflemen in the Mexican army and they are well equipped with range finders."

## Burials Are Moved On.

"I saw a force of about 100 rurales charge a rebel position Tuesday morning and when Diaz turned his machine guns and cannon on them it was sickening. A few may have escaped but the greater number were struck several times. I was informed by a foreign diplomat Tuesday that Madero's loss was more than 1,000 killed and wounded."

While there is no police protection there is very little disorder among the lower element."

Mr. Gibson said foreigners were much concerned over reports that the United States might intervene. Such a report, he said, was circulated by a newspaper correspondent and caused much feeling.

"I am a British subject but all foreigners who speak English are looked upon as 'gringos' and should an anti-American outbreak have occurred I would not have considered my life worth a cent," said Gibson.

## NO SENATORSHIP SOLUTION IN SIGHT

Present Week Not Expected to Bring End of Senatorship Deadlock

## LEADERS DETERMINED

Both Republican and Democratic Leaders Insist on Electing Long Term Candidates

## OPEN FOR BUSINESS TODAY

**SPRINGFIELD, ILL., FEB. 17.**—Indications are that the present legislative week will fail to bring an end to the deadlock in United States senatorships. Friends of Col. James Hamilton Lewis, have come back to Springfield in a receptive mood. They are awaiting overtures from the Republican or Progressive sides looking to a combination that will insure the election of Col. Lewis. The colonel's friends still are insistent that their candidate must have the long term senatorship. Republican leaders apparently are just as determined that Judge Sherman shall be given the full term.

The Republicans claim they have the situation well in hand unless the Lewis, force capitulate and agree to a Republican, Judge Sherman for the long term, there is no likelihood of an early agreement.

The house expects to open up for business tomorrow morning. It is planned to adopt temporary rules and start the introduction of bills. A list of tentative selections for the committee on committees was submitted to Governor Dunne to day and met with his approval. It is now proposed that in the selection of committees there shall be an equal division of the committee chairmanships between the Democrats and Republicans.

## "Sherman and Lewis"

The cry of "Sherman and Lewis" was taken up by the Democratic members of the General Assembly upon their return to Springfield to day.

Early arrivals among the Democratic lawmakers reported upon reaching Springfield that the sentiment among their constituents is for the election to the United States senate of the two primary election choices for those berths.

Talk of electing two Democratic senators is practically ended, nearly every party leader except Governor Dunne being ready to admit that the only chance of breaking the deadlock is through a combination that will leave the Democratic party only one senatorship.

"Sentiment among the Democrats of my district is for Lewis and Sherman," senator Tossey of Toledo when he reached Springfield this morning. "They would like to have two Democratic senators, of course, but we haven't the votes to elect one they cannot see how we are going to elect two. They want us to elect Lewis to fill the long term and Sherman the short term."

This report of sentiment was echoed by Senator William A. Compton of Macomb. Senator Compton said the Democrats and Republicans of his district are practically all for Lewis and Sherman for the two senatorships, the Democrats wanting Lewis for the long term and the Republicans favoring Sherman for the long term.

## Leaders in Conference.

Col. James Hamilton Lewis, Speaker McKinley and Governor Dunne went into conference in the executive office this morning, remaining together several hours. The conference gave rise to rumors circulating among the few assemblymen in the city that Colonel Lewis' campaign managers are preparing to make public overtures to the Republican side for a combination between the Lewis and Sherman forces.

It looks, however, like the Lewis supporters have waited too long. If the Republicans stand by the position they now occupy, there is no possibility of a combination between the Sherman and Lewis forces it is agreed that Sherman shall be elected to the full term senatorship.

The Republicans feel that they are steadily gaining strength and advantage of their campaign for Sherman, while the Lewis supporters are steadily losing ground. Unless the Lewis men realize the weakness of their position and quickly express a willingness to accept the short term for their favorite, the Republican leaders believe Lewis will be completely eliminated from the race.

Some of the Republicans are still expecting a final combination between the Republicans and Progressives that will control the two senatorships. Only four Republicans are said to have voiced pronounced opposition to such a deal, and it is believed they can be brought into line when it becomes apparent that the combination would surely win. All but two Progressives are counted upon to support the combination and it is believed these two will not stand out when only their votes are needed to break the double deadlock.

A luncheon is to be given at the Leland hotel at noon tomorrow by the vocational educational committee of the Illinois State Bankers' association. Several members of the general assembly who are especially interested in vocational education have been invited to attend.

## CASH REGISTER MEN GET JAIL SENTENCES

PRESIDENT PATTERSON GIVEN ONE YEAR IN COUNTY JAIL AT TROY

Other of the Twenty-Eight National Cash Register Officials Receive Sentences Varying From Three Months to One Year.

CINCINNATI, O., FEB. 17.—President John H. Patterson, of the National Cash register company of Dayton, O., today was sentenced to serve one year in the county jail at Troy, O., and to pay a fine of \$5,000 for violation of the Sherman anti-trust law. Twenty-eight other officials and employees of the company were given jail sentences varying from three months to one year and were ordered to pay the costs of the prosecution. The sentences were pronounced after United States Judge Hollister had scored the defendants bitterly for their business methods, methods which he declared were needless in a concern where millions of dollars could have been made legitimately without violation of the law. Closing he said: "The government is strong enough to protect its people whether this protection extends to the transportation of dynamite across the land for the purpose of blowing up bridges or the laying of the hands upon men who seek to stifle competition by illegal business methods."

Following a notice of an appeal to the circuit court of appeals, the bond of President Patterson was fixed at \$10,000, twice its former amount. The other bonds were left at \$5,000.

## BUSY CONSIDERING APPROPRIATION BILLS

Sundry Civil Appropriation Bill Carrying Total of \$113,271,615 Reported

## CUT TAFT'S ESTIMATES

Committee Cut President's Estimates by \$25,519,020—Big Increase For P. O. Bill

## OTHER WASHINGTON NEWS

WASHINGTON, FEB. 17.—The sundry civil appropriation bill carrying a total of \$113,271,615, including \$4,870,000 for Panama canal forts, was reported to the house today by the appropriations committee. It also recommends \$16,265,393 for the construction work.

The committee cut the president's estimates by \$25,519,020 and the total carried by the bill is \$4,855,368 under the appropriations of the current fiscal year. The bill omits the proposed appropriation of \$50,000 to continue the president's inquiry into methods of transacting public business, but allows \$25,000 for the president's traveling expenses. The total appropriations recommended for expenses of the executive mansion, including the traveling expenses of the president, is \$410,600, an increase of \$20,000 altogether for the white house.

The so-called economy board officially termed the "president commission on economy and efficiency" consisting of Frederick C. Cleveland, chairman, Walter Warwick and Merritt O. Chance, secretaries and a corps of clerical assistants, will cease existing on June 30, next unless the house or senate restores the item relating to it. The president has recommended \$25,000 for the next fiscal year.

## Big Increase in Bill.

An increase of nearly \$3,000,000 in the annual postoffice appropriation bill was made by the senate committee on postoffices which reported the measure to the senate today. The total asked for in support of the postal service for the year is \$283,487,442, the statement including an increase of \$2,500,000 in railway mail pay, occasioned in part by the establishment of the parcels post. A new weighing of the mails covering a period of thirty days from Sept. 1st, 1913, is provided by the bill as reported to the senate. This step is recommended because the parcels post has greatly increased the weight of the mails, and the railroads claim they are entitled to compensation on a new basis. The bill would also stop the present practice of carrying second class mail on fast freight trains. The plan of allowing communities to nominate their postmasters embodied in the postal appropriation bill and would apply to all fourth class postoffices where the postmaster's salary is more than \$300. The bill does not make such nomination compulsory.

## Pass Public Buildings Bill.

After a crisscross debate the house today passed the public buildings bill authorizing the construction of \$25,000,000 worth of public buildings throughout the country. The vote on the bill was 184 to 46 and the opponents of the measure were unable to muster enough votes to secure a roll call to insure a record vote.

Representative Fitzgerald of New York chairman of the house appropriations committee and Representative Hardwick of Georgia vigorously attacked the Democratic side for their support of the bill.

## Votes Down Proposal.

The proposal to give the federal government the right to impose a reasonable annual charge upon water-powers was defeated in the senate today by a vote of 53 to 29. In the final vote on the issue as raised in the Connecticut river dam bill, the amendment of Senator Bankhead was adopted striking out of the bill the federal tax plan which had been warmly advocated by the conservation forces of the senate.

The Connecticut river bill was then passed by a vote of 74 to 12 against the opposition of many of the advocates of no dam bill.

In its present form the dam bill simply permits the Connecticut river company to construct a dam near Windsor locks under the usual terms in which the government protects its rights of navigation.

## Fail to Pass Watson Bill.

An attempt to suspend the rules of the house and pass the Watson bill creating a council of national defense failed in the house today by a vote of 55 to 81. The bill would place the organization on the army and navy in the hands of a council composed of a chairman of the congressional committees charged with appropriating for both branches of the service and representatives of the war and navy departments.

## U. S. MARINES ARE ORDERED TO CUBA

(Continued From Page One.)

to President Madero disclaiming any purpose at this time to land troops in Mexico, further precautionary measures were taken to safeguard the lives and property of Americans in Mexico, so far as that could be done, without actually dispatching a military force to the country.

This problem has been greatly complicated by the act of the Madero government, possibly without the actual direction of President Madero in sending broad-based through Mexico news that armed intervention was about to occur, in the hope of inducing Malcontents to drop their temporary quarrel with the government and respond to the patriotic call to repel foreign invasion. It was for this reason that the state department was obliged late in the day to cable and telegraph directly to all of the American consular officers who could be reached an unequivocal denial of any intention on the part of the United States to send troops in to Mexico or of any change in policy on the part of this government. It was felt that the safety of Americans scattered throughout Mexico was jeopardized by these reports.

No Pledge Held Out As To Future. While President Taft's message to President Madero referred to the reports that orders had been given to land forces in Mexico was "inaccurate" it was noticeable that no pledge was held out as to the future, nor was there any engagement that the ordinary preparatory measures now in progress would be discontinued. In addition to ordering marines to Guantanamo word has been passed quietly to military commanders of the interior posts to make ready for eventualities. It was insisted however, that this was only one of the most ordinary and proper measures of precaution taken upon the merest hint of trouble and often without any frank statement by a cabinet officer to day, that is extremely desirable to prevent the spread of the idea in Mexico, that the administration is contemplating the despatch of an army of invasion to that country. Should such gain currency and find credence it would have the effect to precipitate the very trouble which it is desired to avoid and to endanger every American life in Mexico. Hence through determined to refrain from intervention except as the very last resort, the administration finds itself in a position where the smallest and most routine measures for the preparation of its military and naval force for that last contingency must necessarily be closed with official secrecy even after news reported from various points throughout the country where soldiers and marines are quartered, clearly indicate that they are being prepared for service.

No Preparation For Message. The president had made no real preparations to send a communication to congress touching Mexico. He hopes he will not be compelled to speak to congress on the subject, but if a situation requiring his advice arose, he would be ready in a few minutes to dictate his suggestion and to lay before congress the vast fund of information on conditions there that are in possession of the state department. Night sessions of the cabinet to consider late developments from Mexico probably will not be held in the future. Several of the president's cabinet suggested to him to day that these meetings might be misunderstood throughout the United States and Mexico and that their significance might be magnified. The cabinet officers declared reports of these meetings which apparently brought little tangible action, might lead to suspicion that the "lid" had been clamped down; that the republic was being misled and that back of them many secret orders were being framed and issued from the state, war and navy departments. The president agreed with his advisers and practically decided to hold no more conferences.

Breadnaughts at Vera Cruz. Washington, Feb. 17.—The Breadnaughts Vermont and Nebraska with Rear-Admiral Fletcher on board the Vermont, put in at Vera Cruz to day at 8 a. m., bringing the total number of United States warships up there up to three and the force of jacks, officers and marines available for landing to 2,500.

Marines on Transport. Charleston, S. C., Feb. 17.—In accordance with orders received at the navy yard at 2:30 o'clock this afternoon 100 marines sailed on the transport Prairie for Norfolk at five o'clock at five o'clock this afternoon. The orders requested that the men should embark prepared for foreign tropical shore service.

Are Ready to Embark. Philadelphia, Feb. 17.—Members of the marine corps stationed at the Philadelphia navy yard are in readiness to embark for Guantanamo, Cuba, upon the arrival of the United States Transport Meade which is expected here from Newport News early tomorrow. Arms, ammunition and other supplies were gotten ready to day in preparation for hurried departure. The force of 800 men here will be augmented by detachments from Portsmouth, Boston and Brooklyn. Col. George Barnett will command the ten companies, comprising about 1,000 men which will sail from this port. According to the orders the marines will be distributed among the vessels of the North Atlantic squadron now on duty in Cuban waters.

WILL ADDRESS WOODMEN. Hon. T. E. Ryan, state organizer of the M. W. A. will speak at the hall tonight at 8:30 under the auspices of Camp 912. All Woodmen are invited.

RECEIVED IN JURY TO FOOT. John A. Sherratt, an employee of the Chicago and Alton, as a bridge carpenter had the misfortune to smash his foot Monday which necessitated the attention of a physician.

J. Nearring of Jamestown, N. D., has been the guest of his daughter, Miss Bessie, who is a student at the Woman's college.

## SOCIAL EVENTS.

Members and guests of the Monday Conversation club gathered at the residence of Mrs. M. F. Dunlap on West State street Monday afternoon for their annual open meeting. Each member was privileged to bring a guest at this meeting and quite a large number was in attendance. The paper of the afternoon was on the subject, "China and the Outside World," by Miss Anderson of the department of history of the Woman's college and it proved most interesting. The remainder of the program was also very entertaining and following the numbers a social hour was enjoyed when a luncheon was served. The program of the afternoon follows:

Roll call—Queer Customs of China.

Violin solos—En Batteau, Debussy; Orientale, Cesar Cui—Miss Carrie Dunlap. Accompanist, Miss J. J. J. J.

Paper, China and the Outside World—Miss Anderson.

Reading, On the House, Lucille Van Slyke—Miss Jeannette Powell.

A Chicago paper of recent date contains the following: "Mr. and Mrs. Carlton H. Reeve announce the engagement of their daughter, Marion Frances Lee to Mr. Irving Nelson Kurtz of Chicago, formerly of Buffalo."

Miss Reeve will be remembered by many local people as the young lady who trained the students of the Illinois college for their Elizabethan fete last May.

The Lambda Alpha Mu society, one of the new literary organizations of the Woman's college, held their first banquet last night at Colonial Inn. The decorations were in pink and lavender, lavender being the society color and the Kilmer rose the society flower. After a splendid eight course banquet had been faultlessly served Miss Martha Weaver, dean of the college was introduced as toastmistress and the following toasts were given:

"The Launching of Lambda Alpha Mu"—Mary Louise Powell.

"Flower of Lambda Mu"—Mildred Wolfers.

"Pearls of Lambda Mu"—Ruth Want.

Dr. J. R. Harker was present and gave an impressive address on "The Prospects of the new society."

Following the toasts a social hour was spent, during which time several college songs were sung and a flash light picture taken of the society, which numbers twenty-two members.

The following are the officers of the society:

President—Mary Louise Powell.

Vice-president—Ida Perry.

Recording secretary—Louise Frank.

Corresponding secretary—Helena Munson.

Treasurer—Maude Collins.

Critic—Ruth Want.

Chaplain—Hazel Kinsinger.

Pianist—Mary Shastid.

Sergeant at arms—Jane Culmer.

Usher—Florence Haller.

SELLS LOTS OF FARM LAND.

C. E. Delaplaine has returned from a business visit to Pike and Adams counties, where he has a number of farm deals to close up by March 1. Mr. Delaplaine had a nice business during the past year and in making sales and trades has been kept very busy. Through his efforts about 3274 acres of land have found new owners since last May and besides he has started a number of deals which others have closed up. March 1 is not here yet and Mr. Delaplaine feels certain he will close up several more deals before that time, as the parties interested seem to be just waiting until the last minute possible.

JUNIOR ETUDE CLUB.

At the last meeting of the Junior Etude club held at the home of Miss Brown on East State street, the following program of piano solos was given:

"Snow Queen" (Blumenkrug)—Gladys Sargent.

"Robin's Return" (L. Fisher)—Gene Coulter.

Selection from Heller—Zelda Benson.

"Chanson du Martin (Hackett)—Hildegard Rose.

"True Love" (Kugele)—Joy Bourne.

Selection from Heller—Aileen Fitch.

Selection from Heller—Lucille Bolton.

FOR CHARITY ROOM.

The first dining social under the auspices of the social committee of the Hospital Aid Society and of the ladies of the different churches who represent their denomination at the hospital will be held this afternoon at 2:30 o'clock at the home of Mrs. Edward Brown on West State street. The object of these meetings is for the charity room at the hospital. State street church and the Christian churches will be in charge to day.

As the result of an altercation between two brothers, "Fiddler" Louis Jackson and "Speck" Jackson (colored) Monday, the former received a bad cut on the face, which made a wound reaching from eye to the jaw. The whole side of the face was opened up and Dr. A. M. King who was called in the case, had to take a large number of stitches to close the wound.

Route vs. Chandlerville, Wed. 8:30

Miss Florence Watkins has returned home from Decatur, where she went to attend a dance at Millikin university. Miss Watkins is soon to depart for Los Angeles, Calif., and was given a farewell party while in Decatur by Miss Myrtle Lawrence.

WILL GIVE DANCE.

The members of the D. O. K. K. have planned for a dance to be given next Tuesday at their hall.

Will Leave Jacksonville August 10  
in Special Train Over Alton and  
Rock Island—No Luxury of Equip-  
ment Will Be Forgotten.

While F. W. Elder, division passenger agent of the Alton, and C. C. Anderson, traveling passenger agent of the Rock Island, were in Jacksonville Monday, they closed a contract with the committee of the Knights Templar having in charge the arrangements for going to the biennial convocation at Denver next August. D. C. Diltz, local agent for the Alton, had the matter up with the committee and then with the road officials. A special train will be run over the Alton leaving Jacksonville Sunday morning, Aug. 10, at 10 a. m., and arriving in Denver the next afternoon. The train will be routed via the Alton to Kansas City and then over the Rock Island to Denver. Nothing will be forgotten in arranging for this special train and the best equipment which these two roads own will be placed at the disposal of the party. It will be an electric lighted train throughout and will include besides sleepers, a parlor car with buffet service, library and reading room and a dining car. Every luxury which is known to the railroad service will be included in the equipment.

Miss L. L. Davies, a representative of the Butterick Publishing Co., New York, will be with us today and Wednesday. We invite you to call. Full information about all the new spring styles. Butterick Styles lead the world. The sun always shines on the Butterick name.

These foods have gained their pre-eminence in the minds of the people by reason of the fact that they give more than might be demanded or expected. ## MORUARY

Weir.

Death came to Mrs. Harriet Rum-  
sey Weir Sunday afternoon at one  
o'clock at the home of her son Mil-  
ler Weir, 623 West State street.  
There, Mrs. Weir had lived for the  
past ten years and grew old grace-  
fully and happily, surrounded by ev-  
ery comfort that love and devotion  
could suggest. Mr. Weir was nearly  
ninety-one years of age but save for  
impaired vision her faculties were all  
at command. For her the end came  
peacefully and she passed quietly  
away with her face lighted by the  
glory of the beyond.

Mrs. Weir looked forward to go-  
ing with a calmness and serenity  
that was beautiful to behold. Pos-  
sessed of a firm and steadfast faith, it  
was her comfort and strength in the  
days of mature womanhood, and in  
the evening of her life, a sweet so-  
lace. She had long been ready to  
answer the last summons and when  
it came she was ready and willing  
to go.

Harriet Rumsey Weir was born in  
Hopkinsville, Ky., March 16, 1822.  
She was married September 2, 1838,  
to Edward R. Weir of Greenville,  
Ky., and was the mother of ten chil-  
dren, only one of whom survive, her  
son, Miller Weir, of this city. She  
is survived by thirty-two grandchil-  
dren and a number of nephews and  
nieces. Among the latter are Frank  
Elliot and Mrs. J. Allerton Palmer  
of Jacksonville.

Mrs. Weir was of Quaker and  
Scottish Irish stock and was a wo-  
man of high intellectual attainments.  
She has ever been a great reader  
and her mind was stored with knowl-  
edge of many subjects which were  
ever at her command to recall. This  
made her an interesting and enter-  
taining conversationalist and one  
whose advice was frequently sought.  
In religious affiliation she was a  
member of the Cumberland Presby-  
terian church.

At the time of the outbreak of the  
civil war her husband was a member  
of the Kentucky legislature. In that  
crisis Mr. and Mrs. Weir identified  
themselves with unselfish fervor and  
enthusiasm with the side of the uni-  
on, and her husband was a friend  
and counsellor of Lincoln, having  
made many trips to Washington,  
relative to the effort to keep the  
state of Kentucky in the union. At  
this time Mrs. Weir was called upon  
to undergo many trials and hard-  
ships, but she met them all with re-  
solution and courage.

She was a great letter writer and  
until recent months conducted an  
extensive correspondence with rela-  
tives and the friends made during  
her long and useful life.

Mrs. Weir leaves behind her the  
sweet and wholesome influence of  
one who possessed a simple and  
childlike faith in the goodness of God  
and whose trust was always in Him.

Brief funeral services were held  
Monday afternoon at 2 o'clock at  
the residence in charge of Dr. R. O.  
Post. The body was taken at 4  
o'clock on the Alton train to Green-  
ville, Ky., where on Wednesday more  
extended services will be held. The  
body was accompanied by her son,  
Miller Weir, and her grandson,  
Judge E. P. Brockhouse. The bear-  
ers were James Weir, Elliot, J. Al-  
lerton Palmer, Judge E. P. Brock-  
house, William A. Bancroft, George  
Hollinger and Horace H. Bancroft.

Whitehead.

Mrs. C. M. Hocking received a  
telegram Saturday evening announc-  
ing the death of her sister, Mrs.  
Charlotte Whitehead, who passed  
away Friday. She was living at the  
home of her daughter, Mrs. Mary  
Schoonover, near Mason City, at the  
time of her death.

She was 86 years of age and nearly  
blind. Her husband preceded her  
in death a few years ago. She is  
survived by three sons, James, John  
and Charles (Whitehead), and two  
daughters, Mrs. Mary Schoonover  
and Mrs. Lucy Schoonover.

Funeral services were held Sunday  
afternoon at 1:30 o'clock.

Schaub.

Capt. John A. Schaub received a  
telegram Sunday morning announc-  
ing the death of his son, J. Warren  
Schaub, who passed away at his  
home in Los Angeles, Calif., Satur-  
day. Mr. Schaub had been in ill  
health since November and although  
he had been quite sick it was  
thought that his recovery was only a  
matter of time.

The deceased was 29 years of age  
and had been a resident of this city  
for a number of years, moving from  
here to San Francisco, Calif., shortly  
after the earthquake. He had been a  
resident of Los Angeles for some  
time and was employed in the City  
Dye works there. The deceased was  
married four years ago and is sur-  
vived by his wife and one daughter,  
Katherine. He is also survived by  
his father, Capt. John A. Schaub of  
this city and the following brothers  
and sisters: Mrs. Henry Schreiner,  
Edward and Arthur Schaub of this  
city; Miss Lola Schaub, who was  
with her brother when he died, and  
Henry Schaub of Seattle, Wash.;  
Mrs. J. E. Taylor of Minneapolis,  
Minn., and Mrs. Percy Dodge of  
Cripple Creek, Colo. His mother  
preceded him in death two years  
ago.

The remains are expected to ar-  
rive in this city Wednesday evening  
on Thursday morning. Announce-  
ment of the funeral arrangements  
will be announced later.

Coleman.

Relatives in the city received  
word Sunday evening announcing  
the death of Joseph H. Coleman, as-  
sistant cashier of the First National  
bank at Beardstown, who passed  
away at his home at that place Sun-  
day morning at 11 o'clock. Mr. Cole-  
man had been in failing health for  
the past three years and for two  
months August and September of  
last year he was a patient at the  
Presbyterian hospital in Chicago. He  
apparently regained his health and  
returned to Beardstown, where he  
resumed his duties at the bank, but  
one month ago his health again  
failed him, and he kept growing  
gradually worse until his death Sun-  
day.

Mr. Coleman was 40 years of age  
and was born and reared near  
Beardstown, spending his entire life  
in that community, with the ex-

ception of a year's residence in  
Springfield. He was married to Miss  
Margaret Helenthal of this city fif-  
teen years ago and is survived by  
his wife, one son, Gilbert; his moth-  
er, Mrs. John Collins of Beardstown;  
one brother, Homer Coleman of  
Beardstown; one sister, Mrs. Bloom  
who resides near Beardstown and  
one half sister, Mrs. Kendall of  
Beardstown. The deceased was a  
member of the Elks and of the  
Methodist church.

Funeral services will be held  
Wednesday afternoon at 2 o'clock  
in Beardstown and the following  
from this city expect to attend: Mr.  
and Mrs. T. E. Laurie, Mr. and  
Mrs. Walter G. Helenthal, William  
Helenthal, M. Helenthal, Mr. and  
Mrs. Charles Minter, Matthew Min-  
ter and Allen Minter of Springfield.

Epler.

John Milton Epler, died Monday  
morning at 12:30 o'clock at the  
home of his daughter, Mrs. Charles  
Stevenson at Little Indian, aged 79  
years. He was the son of John and  
Sarah Epler and was born at the  
old homestead in the vicinity of his  
death. For a number of years he  
was a member of the state board of  
agriculture and was a prominent  
worker in the Democratic party.

Besides his widow he is survived  
by three sons, Edward of California;  
William of Twin Falls, Idaho and  
Charles of Hartman, Colo., and one  
daughter, Mrs. Charles Stevenson.  
Two daughters have preceded him  
in death, Mrs. Laura Coons of Vir-  
ginia and Mrs. Eugene Besse of  
Chillicothe, Mo. He was also a  
brother of the late Cyrus Epler of  
this city and a cousin of James M.  
Epler. There are six grandchildren  
surviving.

The funeral services will take  
place at 9 o'clock Thursday at the  
family residence. The remains will  
be brought to this city at 11 o'clock  
via the C. P. & St. L. and interment  
will be made in Diamond Grove  
cemetery.

Wright.

Relatives and friends in the com-  
munity have received the sad news  
of the death of Sancho Wright, son  
of Mr. and Mrs. A. H. Wright of  
Franklin, who was killed by being  
run over by a train on the Rock  
Island road near Moline, Ill. It is  
believed the young man was tramp-  
ing his way and accidentally fell  
beneath the cars. His body was so  
mangled that it was not recognizable  
and his identity would never have  
been known save for another man  
who was with him.

Mr. Wright was 27 years of age  
and was born near Franklin. Sev-  
eral years ago he joined the navy  
and since returning from the service  
had formed a roving disposition.

His parents and sister, Catherine,  
left about three weeks ago for Cal-  
ifornia to visit with relatives. Other  
brothers and sisters surviving are  
Langley of San Diego, Calif.;  
Therone Wright, Oliver Wright and  
G. P. Wright of Havana, Mrs. Jose-  
phine Cruse of Murphysboro and  
Misses Catherine and Lillian Wright.

Delong.

The funeral services of Mrs. Eliza-  
beth Delong were conducted Sunday  
morning at 11 o'clock from the  
Methodist church in Murrayville in  
charge of the pastor, Rev. J. A. Bid-  
dle, assisted by Rev. Mr. Kincaid of  
Mason City. Music was furnished by  
Misses Stella Cunningham, Beulah  
Kittner, Clarence Cunningham and  
J. H. Dial. Mrs. H. E. Milligan was  
organist. The flowers were cared for  
by friends.

Interment was made in Bethel  
cemetery and the bearers were Wal-  
ter Patterson, Harvey Osborne,  
Charles Kittner, George Tannhill,  
John Boruff and William Lemmoh.

Hymn.

The six month old child of Mr.  
and Mrs. Barney Hymn died Sunday  
afternoon at the family residence.  
Funeral services will be held this  
morning.

Williamson.

A large number of relatives and  
friends gathered at the First Baptist  
church Sunday afternoon at 2:30  
o'clock to pay a last tribute of re-  
spect to memory of Miss Elizabeth  
Williamson. The services were brief  
but most impressive and were con-  
ducted by Rev. W. L. Dorgan, pastor  
of the church. He read quite exten-  
sively from scriptures and offered  
prayer and then paid a brief but  
beautiful tribute to the life of the  
deceased. He took for his text, "Be  
thou faithful unto death and I will  
give thee the crown of life," and  
spoke of the appropriateness of the  
passage to the life of the deceased,  
how she had always been faithful  
through life and how she had won  
the promised crown of life.

Miss Laura Hayden sang a solo,  
"Just For Today," most tenderly and  
Misses Hazel Belle Long and Carrie  
Spies sang a duet, "When They  
Ring Those Golden Bells For You  
and Me." There was an abundance  
of beautiful flowers which were  
cared for by Mrs. Dennis Schram,  
Mrs. W. P. Brown, Mrs. Ingalls and  
Mrs. Albert Cox.

Interment was made in Diamond  
Grove cemetery and the bearers  
were Dr. G. H. Kopperl, W. J. Wood,  
H. H. Bancroft, Robert Henley, R.  
C. Reynolds and Albert Cox.

Among those from out of the city  
to attend the funeral were Mrs. John  
Hamilton, Mrs. M. E. Rose and Miss  
Sarah Williamson of Virginia and  
Miss Ethel Rose of Ashland.

## POWER OF SILENCE

An Adaptation from the Play

"WHERE THE TRAIL DIVIDES"

By Robert Edison.

A Masterpiece in Two Magnificent Reels  
THE GREATEST TRIUMPH OF THE WORLD'S GREATEST PRODUCER

From Out the Maze of Films. Full of Sensational Features, Comes This Story, "The  
Power of Silence." It Shines Forth Like a Star at Night.

SYNOPSIS

Thomas Lowry, a wealthy western ranch-owner, realizing he is dying, leaves his adopted daugh-  
ter, Jane, to the care of his head shepherd, who because of his personality is called "Silent." The  
young people decide to marry when Sinclair, a nephew of Lowry, comes west, and learning of the  
fortune Jane inherits, decides to marry her. She listens to his descriptions of the wonderful east and  
promises to become his wife. Silent warns Sinclair that he will pay for any mistreatment of Jane  
with his life. Sinclair brings Jane east, and after squandering her fortune deserts her and she dies  
of a broken heart. Sinclair returns west to sell the balance of Jane's property and meets "Silent,"  
in the fight that follows they plunge over the balcony of an old ruin to death below.

### DID NOT CRITICISE TAFT.

Boston, Mass., Feb. 17.—Dr. Chas.  
W. Elliott president emeritus of Har-  
vard university, was recently quot-  
ed in newspaper dispatches from  
Boston as criticizing President Taft  
for having placed fourth class post-  
masters under civil service rules.

Dr. Elliott said today that he had  
been misquoted and explained that,  
while he had said that fourth class  
postmasters were patronage appoint-  
ees, he had not singled out President  
Taft for censure. He said:

"I did not criticize President  
Taft. I did not mention his name.  
I said that fourth class postmasters  
are patronage appointees, but this  
is not new to the present administra-  
tion. They have been patronage ap-  
pointees in earlier administrations.  
I made no personal criticism of the  
president."

## The Return of Blood Eruptions

No Reason Why Anyone Should Suffer With Such a Disheartening Experience.

No case of contagious blood poison is ever cured until the last particle of the virus has been removed from the circulation.

The least taint left in the blood will, sooner or later, cause a fresh outbreak of the trouble, with all its hideous and destructive symptoms of ulcerated mouth and throat, copper-colored spots, falling hair, sores and ulcers, etc.

No other medicine so surely cures contagious blood poison as S. S. S. It goes down into the blood and steadily and surely drives out every particle of the infection.

It absolutely and perfectly purifies the blood, and leaves this vital fluid as fresh, rich and healthy as it was before the destructive virus of contagious blood poison entered the circulation.

S. S. S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and other blemishes, the hair stops coming out, the mouth and throat heal and when S. S. S. has cleansed the system of the poison no trace of the disease is left.

S. S. S. cures contagious blood poison because it is the greatest of all blood purifiers, tested and proven in hundreds and hundreds of cases all over the country.

You will find S. S. S. for sale in all drug stores at \$1.00 per bottle. Write to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga., for private medical advice and a very instructive leaflet on all blood diseases, sent free, sealed in plain wrapper.

## FAMOUS RUSSELL CASE IS NEARING CLOSE

Litigation Which Involves Title to Big Tract and Identity of One Heir Has Been on Trial Since 1909

Boston, Feb. 17.—After four years of the strongest litigation, the Russell case, famous in forensic history as the longest trial ever recorded, is approaching its end and it is believed that it will reach its conclusion within another week.

The history of the case may be said to date from the year 1907, when Daniel Russell, a wealthy resident of Melrose, Mass., died. He had two sons, William C. and Daniel Blake Russell. In 1885, however, Daniel Blake Russell mysteriously disappeared. Daniel Russell had requested in his will that, if Daniel Blake Russell should return within 20 years of the testator's death William C. Russell should share equally with him in the estate.

In 1909 "Dakota Dan" appeared as a claimant, saying he was the long lost Daniel Blake Russell. The trial of the claim took 123 court days before Judge Lawton in the Middlesex county probate court. During the trial a great many persons in Melrose testified that "Dakota Dan" was the person they remembered as Daniel Blake Russell; others could not so remember.

William C. Russell, who opposed the claims of "Dakota Dan," and refused to acknowledge him as his brother, brought forward Mr. and Mrs. James Rousseau and some of their children from northern New York, who said that the claimant was not Daniel Blake Russell, but their son and brother, respectively.

The court decided that "Dakota Dan" was not Daniel Blake Russell. Thereupon the claimant appealed to the supreme court against the decision given by the lower court in 1910.

Shortly after that "Fresno Dan" made his appearance in Melrose and was recognized by William C. Russell as his long lost brother. The appearance of this rival claimant greatly complicated matters and the fact that he was endorsed and accepted as the true claimant by William C. Russell, who was most vitally interested in the outcome of the litigation, made matters a great deal more difficult for "Dakota Dan."

The second trial began before Gilbert A. A. Pevey of Cambridge, appointed master by the state supreme court, on July 16, 1912, and has continued with material interruption ever since. The master has held sessions on more than 150 court days and considerably more than 300 witnesses have been heard. While the former trial was a record breaker in length it is eclipsed by the present hearing. The sheets of typewritten testimony at the former trial, piled sheet on sheet, made a pile more than six feet high. The present hearing has far exceeded that record. Under Massachusetts procedure, it is stated, there can be no appeal from the decision soon to be expected, there being no higher tribunal in this Commonwealth. There may be arguments, however, on exceptions to the rulings of the master, which may materially add to the length of the trial.

The case has aroused a great deal of interest and public opinion, from the very beginning of the trial, has been divided into two factions, one believing in the justice of "Dakota Dan's" claim and sympathizing with him, the other believing "Fresno Dan" to be the true claimant entitled to a share in the Russell estate.

The testimony in both the first and the second trial was often highly dramatic and sensational and at every sitting of the court the court room was crowded with interested spectators. One of the most dramatic bits of testimony in the second trial or hearing was the reappearance of Edward W. Frenz, who testified in the former hearing that "Dakota Dan" was not the Daniel Blake Russell, the missing son of the

late Daniel Russell. A the second hearing Frenz was again called upon the witness stand and confronted with both claimants. After a careful inspection of the two men the witness declared that "Fresno Dan" was the Daniel Blake Russell with whom he played as a boy.

Many old residents of Melrose were called upon the witness stand and while some of them were positive that "Dakota Dan" was the right claimant, others contradicted this testimony and were equally positive that he was not Daniel Blake Russell. In a general way it may be said that the sympathies of the majority were with "Dakota Dan," whose testimony at the hearing to establish his identity seemed to be far more conclusive than that of the rival claimant, who displayed a remarkable lack of memory and astounding ignorance of matters with which the true Daniel Blake Russell should have been thoroughly familiar.

Has Alexander Found the Same? The Answer Is Found in the Straightforward Statement of an Alexander Resident.

We have been reading week after week in the local press of Jacksonville citizens who have been rid of distressing kidney and bladder troubles by Doan's Kidney Pills, and we have often wondered whether the same high opinion of this medicine is to be found in our neighboring towns. This frank and earnest statement by a well known and respected resident of Alexander will set this doubt at rest.

John William Aulabaugh, farmer, Alexander, Ill., says: "About two years ago I took several bottles of Doan's Kidney Pills and will say that they did me more good than all the doctors I had experimented with. I have been bothered very little with my back since I used Doan's Kidney Pills."

WATER CAUSES FEVER EPIDEMIC.

Quincy, Ill., Feb. 17.—Following the report of Dr. Edwin Jordan, chemical expert from Chicago, that impurities in water furnished to the city was the cause of the prevailing typhoid epidemic, the board of education has ordered the water cut off from the public schools and has given notice that children wanting water during school hours must bring sterilized water from their homes.

When Burton Holmes recently gave his celebrated travelogue on "Panama" at Orchestra hall, Chicago, he was seriously interrupted by continual coughing of the audience. No one annoys willingly and if people with coughs, colds, hoarseness and tickling in throat would use Foley's Honey and Tar Compound, they could quickly cure their coughs and colds and avoid this annoyance. ## LITTLE GLIMPSES OF FASCINATING BOOKS

Goldwin Smith's "Reminiscences", W. M. Wood.

Galsworthy's "Inn of tranquility", Miss Laura Tanner.

Fagan's "Autobiography of an individualist", L. O. Vaught.

Meredith's "Tragic comedians", Miss Carrie Dunlap.

Those interested are invited to the Public Library Tuesday evening, February 18 at 7:30 o'clock.

In Canada, where Goldwin Smith lived for forty years before his death in 1910, he held a singular position. It might be said that he was at once the most disliked and the most admired citizen of the Dominion.

Galsworthy's book is made up of "intimate and original thoughts of a poetic, musing, observing mind, in sympathy with the beauty of nature and the pathos, mistakes and hopes of man as an individual and as a member of society. Varied in form—dialogs, character sketches, familiar and informal essays—and subtle in style.

A plea for individualism is the book by Mr. Fagan. "Born in Scotland, the son of a battle scarred survivor of the Indian mutiny, and one of the twelve brothers early forced to make their own way in the world. Mr. Fagan after a considerable experience of travel and adventure and

a variety of bread-winning occupations in South America, South Africa and the United States, will readily be believed to speak from earnest conviction when he protests, as he does in "Autobiography of an individualist", against the curbing of personal initiative which necessarily makes itself felt as a country grows older and its governmental machinery and code of laws and system of accepted conventions become more complex. His previous book, "Confessions of a railroad signalman" has marked him as a man not afraid to do his own thinking and to speak his mind after he has done so.

If you have read Meredith's vivid but one-sided book you will not need to be told that its "tragic comedians" are masks for high born Helens von Dooniges and the celebrated agitator, brilliant writer, so called father of German Socialism, Ferdinand Lassalle. It was the love romance, now a half forgotten one, that set all Europe gossiping and wondering. Mr. Meredith told the story in his own crackling, incendiary style after the appearance of Helena—veritable confessions of her relations with Lassalle.

Conductor S. L. Miller, Norfolk, Neb., on Honesteel Division of C. & N. W. Ry. Co., recommends Foley Kidney Pills and says: "I have used Foley Kidney Pills with very satisfactory results and endorse their use for any one afflicted with kidney trouble. They are all right." ## A GREAT BIBLICAL PICTURE.

The immense crowd that witnessed yesterday the great Biblical film, "From the Manger to the Cross," at the Grand theatre, was more than pleased with the beautiful story of the life of Christ and some of the scenes made great impressions upon the minds of the audience as they sat through the running of the five reels and listened to the lecture by the master historian, Mr. Ben Francis Whitney.

The public ministry of Christ is ushered in by John the Baptist, who was sent by the Father to prepare the way for the Messiah, and the picture represents John standing in what is claimed to be the authentic location where he talked to the people in the wilderness.

When Christ set out to find men to be His apostles He walked by the Sons of Galilee, where He saw Peter

and Andrew, and this same scene was taken on the exact spot where the event took place during the life of Christ. Next we see Him at the marriage feast and here He performs His first miracle, that of turning water into wine.

He preaches to His disciples from the ship on the Sea of Galilee and in order to obtain this remarkable picture the members of the company were compelled to make a round trip, traveling on donkey back for 260 miles over an extremely rough and dangerous country, and all members of the company, including the ladies, were heavily armed and in addition the governor of Jerusalem supplied them with an armed guard to protect them from the many bands of Bedouins who infest the country and rob the unprotected travelers.

Today, 2 until 5:30 o'clock; tonight, 6:45 to 11 o'clock. Usual prices.

## NOTICE

### To Farmers and Stock Raisers

We are now manufacturing under State License, the best Brand of hog food on market known as "SURE FATTEN HOG FOOD". It is far superior to any Brand of Hog food on the market to day. It is guaranteed under the Pure Food and Drugs Act, June 30th, 1906, Serial No. 47,673. Guaranteed analysis as follows:

Crude Fat . . . . .10.00 to 14 per cent  
Crude Protein . . . . .52.50 to 60 per cent  
Crude Fibre . . . . .1.00 to 3 per cent  
Phosphate . . . . .10.00 to 12 per cent

### What Is "Sure Fatten Hog Food"

It is a dark colored granular meal, made from meat residues, and it supplies the protein and phosphates necessary for compounding a balanced ration in most economical and palatable form.

It contains phosphates in proper proportion to insure strength of bone and frame work. In the corn belt bone development is a matter of serious consideration.

It is not a substitute for corn, but a small quantity fed in connection with corn or other grains gives a balanced ration.

It is the most economical source of digestible protein known, containing twice as much protein as oil meal and five times as much as middlings, shorts, shipstuffs, or alfalfa meal.

TANKAGE is recommended by all leading experiment stations. It is packed in one-hundred-pound burlap sack, plainly marked "SURE FATTEN HOG FOOD," analysis as above. It is the ideal feed to balance rations.

### What "Sure Fatten Hog Food" Tankage Does.

It develops bone and muscle in young pigs and makes them grow. It matures a hog for market in two and three months quicker than corn alone, thereby, saving one third of the feed bill, one third of the labor, one third of the risk, increasing profits one third.

It grows better proportioned hogs, more meat, a d more fat, hence market-topper hogs. SURE FATTEN HOG FOOD TANKAGE fed hogs ship well with small shrink.

While in nowise a medicine, it so fortifies and strengthens the system against attacks of disease germs that SURE FATTEN HOG FOOD TANKAGE fed hogs are universally healthy hogs.

## Facts in Nature

FOR centuries it has been known that Nature's most valuable health giving agents for the cure of diseases are found in our American forests. Over forty years ago Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute at Buffalo, N.Y., used the powdered extracts as well as the liquid extracts of native medicinal plants, such as Bloodroot and Queen's root, Golden Seal and St. John's wort, and Mandrake, for the cure of blood diseases. This prescription as put up in liquid form was called

DR. PIERCE'S

and has enjoyed a large sale for all these years in every drug store in the land. You can now obtain the powdered extract in sugar-coated tablet form of your medicine dealer, or send 50c in one-cent postage stamps for trial box to Dr. Pierce's Invalids' Hotel, Buffalo, N.Y., and tablets will be mailed, postage prepaid.

The "Golden Medical Discovery" makes rich, red blood, invigorates the stomach, liver and bowels and through them the whole system. Skin affections, blotches, boils, pimples and eruptions—result of bad blood—are eradicated by this alternative extract—as thousands have testified.

Send 31 one-cent stamps to pay cost of mailing only on a free copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, clothbound. ADDRESS DR. R. V. PIERCE, BUFFALO, N. Y.

## This Should Keep The Baby Healthy

When It Is Ill Don't Become Alarmed But Give This Fine Laxative.

It is often difficult to tell just what is the matter with a crying, peevish baby or child too young to express its feelings in words, but at a general rule the mother will find that there is a tendency to constipation, which has brought on a headache or nervousness. The little one has no pain, but feels "out of sorts."

The first thing to try is a family remedy containing good but mild laxative properties, and many mothers will say that their choice would be Dr. Caldwell's Syrup Pepsin. Thousands of mothers keep it in the house for such emergencies, among whom may be mentioned Mrs. Jennie Mangel, Altamont, Ill., who began to give her baby, Frederick, Syrup Pepsin when he was 6 months old, and has used it ever since with gratifying results. She writes that Frederick was not growing well and throw up his food, but after a few days use of Syrup Pepsin he was able to retain his food and gained rapidly in weight. There are of others are glad to say that Syrup Pepsin saved them many an illness and many a large doctor bill, by administering it promptly, when the first symptoms of illness were noticed, they prevented a serious ailment.

It is so pleasant testing that no child will refuse it and as it does not grip, the child is glad to take it again. A bottle can be obtained of any druggist for fifty cents or one dollar, the latter being the size bought by families already familiar

FREDERICK MANGEL.

with its merits. Rests are always guaranteed or money will be refunded.

Syrup Pepsin is for all the family from infancy to old age, and because of its mildness families should prefer it over all other remedies. It is absolutely safe and reliable. You will never again give cathartics, pills or such harsh physics, for they are usually unnecessary, and in the case of children, women and elderly people are as great shock to the system, and hence should be avoided. If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial of it before buying it in the regular way of a druggist send your address by postal will do—to Dr. W. B. Caldwell, 417 Washington street, Monticello, Ill., and a free sample bottle will be mailed you.

## BIG FIRE DESTROYED PROPERTY IN WHITEHALL SUNDAY

Four Buildings Were Burned and Loss is Estimated at \$50,000—Origin Still a Mystery.

White Hall was visited by a disastrous fire Sunday forenoon and its origin has not thus far been determined. The property burned consisted of a furniture house and undertaking establishment, where it is supposed the fire originated in the basement and which was owned and occupied by James Fox; the grocery store owned and occupied by J. A. Piper; the Rutzke drug store, the building being owned by C. A. Ruckel. The fire burned with such rapidity that two buildings were almost consumed before the fire department and citizens arrived on the scene. The loss is estimated at \$50,000 to \$60,000. The flames spread to the building owned by O. C. Holcomb and occupied by E. E. Miller, with a stock of jewelry. A portion of the stock was saved, but the building was consumed. There were several offices in the various buildings burned and the loss to the owners was considerable. Among those losing their offices and contents were Dr. H. A. Chapin, Dr. E. J. Hume, a dentist, and Mark Meyerstein, one of the oldest attorneys of the city.

The fire was discovered at 9 o'clock and burned three and a half hours before it was subdued. The meager fire fighting equipment—a hose cart and several hundred feet of hose—was inadequate to cope with the fire and a call was sent to Roodhouse, three miles away, and in a short time the combined fire equipment of both towns was at work, aided by a large number of citizens to check the further spread of the flames. The property loss approximated the sum of \$50,000 and it is thought was fully covered by insurance.

## GIFT FOR MR. KARNES.

A large delegation of railroad men representing the Springfield division of the Wabash met in Decatur Sunday morning and presented L. W. Karnes, former trainmaster, with a token of their esteem and respect in the way of a Knights Templar charm. They also presented Mrs. Karnes with a four piece silver set.

The presentation took place in the office of Superintendent Stumpf of the Decatur division of the Wabash. Former Senator Thomas Meehan made a short speech praising Mr. Karnes in his faithfulness to the road, and presented the gift. F. G. Schmitt, conductor, gave Mrs. Karnes the silver set with a short speech. Mr. Karnes was called upon for a speech and responded very enthusiastically. He said that the occasion was a very great surprise to him and that he would endeavor to maintain the reputation he had established with his fellow employees.

Mr. Karnes was employed on the Springfield division of the Wabash for eleven years, during which time he has served the road very faithfully. He was lately promoted from trainmaster to general trainmaster of the Decatur division.

## PATRONAGE PROBLEM PUZZLES.

Brother of President-Elect Wilson in perplexing Position.

Washington, Feb. 17.—The problem of what to do with Joseph R. Wilson, brother of President-elect Wilson, in the way of federal patronage, has not yet been solved. Saturday Senator Martine of New Jersey, generally recognized as one of the spokesmen of the president-to-be, announced that "Joe" Wilson had communicated with him, stating he had withdrawn from the race for secretary of the senate, a berth for which numerous candidates are striving. To day it is positively announced by a close personal friend of "Joe" Wilson that he has not withdrawn and has no intention of so doing. This friend added, however, that he had not communicated with Mr. Wilson since reading Senator Martine's announcement. The New Jersey senator is a personal friend of both Wilsons, but did not hesitate to put his foot down hard when "Joe" Wilson first declared his candidacy for the senate secretaryship.

Robert W. Wally, the writer, some time ago withdrew from the race for this position in favor of Mr. Wilson. Before Mr. Wilson's name was mentioned with the senate position he had been groomed by friends for post master of Nashville, Tenn. His brother, the president-elect, is understood to have disapproved of the movement to make "Joe" postmaster of his home city.

## ALTON SHOPMEN'S

CONTROVERSY. Bloomington, Ill., Feb. 17.—Difference of opinion relative to the meaning of the word "may" has started strike rumors in the Chicago & Alton shops here. Two years ago the federation of unions employed at the local plant signed an agreement with the company which governed hours and working conditions. One clause provided that in case a reduction in expenses became necessary, that the hours must be reduced before reducing the force. Should a second cut be necessary the agreement stipulated that the company may work five days, instead of six. Should a third cut be decided upon, then, and not until then, the number of men employed must be reduced.

Last week, after laying off 400 men, the officials were notified of the working agreement, which specified that no men should be laid off until two cuts in hours had been made. The officials replied to the committee that the word "may" made it optional whether the hours or the number of men be reduced, the company preferring the latter. The men argue that the word "may" in this connection means the same as "must," and has been so construed by the courts. The company refuses to recede from the original position and national officers of the various unions are now here conferring with the local organizations regarding a course of action. Efforts are being made to effect a compromise of the controversy.

## END LIVER TROUBLE WITHOUT CALOMEL

Untrustworthy Drug, Thought to Loosen the Teeth, Now Made Absolutely Unnecessary.

Dr. Edwards' Olive Tablets—the substitute for calomel—are the mildest laxative known, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. Dr. Edwards has been calomel's uncompromising foe. His efforts to banish it brought out these little olive-oil-colored tablets, a rare combination of vegetable compounds mixed with olive oil. These pleasant, harmless little tablets do all the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel at all, but to let Olive Tablets take their place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Olive Tablets when you feel "lousy and heavy." Note how they "clear" the clouded brain and how they "perk up" the spirits.

At 10c and 25c a box. "Every little Olive Tablet has a movement all its own."

The Olive Tablet Co., Columbus, Ohio.

## TO CLOSE BEULAH CREVASSE.

Government Makes Contract With Railroad and Work Begins.

Vicksburg, Miss., Feb. 17.—Upon his return from Washington this morning Maj. J. A. Woodruff of the third district was asked for a statement, said that the contract had been closed by the government with the Yazoo & Mississippi Valley Railroad company to close the Beulah crevasse and work has already been commenced. The job is to be done by the river commission through the third engineering department here, and will be in local charge at Beulah of Capt. Arthur Hider and A. M. Todd.

The railroad is to furnish all equipment, material, pile drivers, etc., and a lot of labor. The start already made is building a trestle across the break, from which strip is to be placed across the crevasse, and in addition to this about \$0,000 yards of earth will be packed in making a most substantial levee over the break.

## JUSTICE COURTS.

Sid Olroyd and Dan McNamara were each fined \$5 and costs in Squire Deer's court Monday on a charge of drunkenness. Mike McDonald was fined \$3 and costs in the same court on a similar charge.

## FROM MANGER TO CROSS.

A masterpiece in the portrayal of Biblical history is being shown at the Grand. For the first time in this city the great Kalem production "From the Manger to the Cross" was shown yesterday for the benefit of the public. The unanimous verdict of those that witnessed the picture at its first public showing was one that reflects immense credit on the Kalem company for the reverent and realistic manner in which the subject has been handled.

The story of the life of Christ is told in five reels and the scenes are laid in the actual surroundings where in Christ is supposed to have made His sojourn while on earth. The picture is vivid and inspiring and serves to make more clear to the mind the beautiful story of the Nazarene in a manner that smacks not in the least of sacrilege.

Beginning with the birth of Christ in the first reel the main incidents of His stay upon earth are depicted with commendable exactitude and accuracy. The Annunciation, the vision of Joseph, the journey of the Wise Men, the flight into Egypt, Jesus in the temple with the wise men, the Last Supper, and the betrayal and crucifixion together with the many other incidents that go to make up the history of Christ are pictured in a connected sequence that requires five reels for the showing.

Each change of subject is preceded by a carefully chosen Biblical quotation that adds much to the educational value of the picture.

To lay the Great Picture will be shown matinee and night. Continuous runs will be made from 2 to 5:30 o'clock and from 6:45 to 11 o'clock. No change in prices.

Madam—Whether you need flour today or not, you'll do well to trade with the dealer who sells Zephyr Flour

IN the retail trade, when a dealer gets the agency for Zephyr Flour, it is considered positive evidence that he stands high in his community as a man and high in the trade as a square merchant. It means, too, that the flours in his store are of highest quality.

# Zephyr Flour

We have spent endless care, time and money perfecting Zephyr Flour, the famous hard wheat flour of Kansas. We wash it and wash it and grind it and

grind it, watching it all the while. Cooks who use it get a reputation for their bread and cakes, their biscuit and pies.

It is so good, so sure, that we sell it with a positive guarantee to satisfy. Any Zephyr Flour dealer will, on request, return the money paid for any sack of Zephyr Flour that fails to please.

Save the chemist's test certificate of the wheat and flour, found in each sack of Zephyr Flour. It assures uniform high quality or another sack from your dealer or from us.

## THE WORLD'S LATEST FINANCIAL AND MARKET NEWS

### WAVE OF SELLING BEARS DOWN PRICES

#### STOCK MARKET DEVELOPS ACUTE WEAKNESS AT TIMES.

Pessimistic Feeling Becomes Wide-  
spread—A number of leading in-  
vestors reach lowest point for over  
a year.

(By Associated Press)  
New York, Feb. 17.—Another  
wave of selling bore down prices of  
stocks today, the market was nervous  
and at times acute weakness de-  
veloped. Pessimistic feeling has be-  
come so widespread, owing to a vari-  
ety of well recognized influences,  
that the present tendency is to mod-  
erate the importance of any new  
development which is construed un-  
favorably. The reception today of  
reports from abroad of J. P. Mor-  
gan's illness illustrated the effect  
of new bearish influences, coming on  
top of those which previously weak-  
ened the speculative position.

The reports gave traders a scare  
and those on the long side hastened  
to unload stocks at the opening. The  
effect of this selling was heightened  
by a vigorous bear attack and prices  
broke abruptly with wide swings  
in the favorite stocks. Steel sold  
all the way from 62 to 60 1/2 in differ-  
ent parts of the excited crowd of  
traders around the steel post in the  
first minute after trading began.

Reassuring statements as to Mr.  
Morgan's condition checked the sell-  
ing and the market rose slowly some  
stocks effecting a substantial recovery.

In the late afternoon there was a  
renewed outburst of selling and a  
number of stocks reached the low  
point of the day, although covering  
in the last few minutes reduced final  
losses.

Selling of steel was heavy, sev-  
eral large blocks being thrown on  
the market and the price went un-  
der 61. A number of leading in-  
vestors reached the lowest prices for  
over a year.

The crisis in Mexico and fears of  
a strike of firemen were disturbing  
factors, and contributed largely to  
the market's unsettlement. London  
and the continent were reported  
early sellers of 10,000 shares of  
American stocks. Later London  
bought some 5,000 shares of Union  
Pacific and the copper.

## Always Have MUSTEROLE in the House

Every family should have a jar of MUSTEROLE at hand.

MUSTEROLE is a clean, white ointment, which takes the place of the old fashioned mustard plaster and does not blister.

No plaster is necessary, simply rub it on—and the pain is gone!

It is quickest relief for Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Frosted Feet, Colds of the Chest (it prevents pneumonia). Nothing like MUSTEROLE for croupy children.

At your druggists in 25c and 50c jars, and a special large hospital size for \$2.50. Sold by druggists everywhere. Accept no substitute. If your druggist cannot supply you, send 25c or 50c to the Musterole Co., Cleveland, O., and we will mail you a jar, postage prepaid.

"Our friends and ourselves would not willingly be without Musterole, as it has saved doctor's expenses many times."—William Niess, Sacramento, Cal.

## Drive away germs with GOLD DUST

The modern surgeon carefully cleanses hands and instruments before and after every operation; he realizes the danger both to himself and his patient of an clinging germs.

Germs thrive and multiply wherever they can find a lodging place in grease and dirt, and where things are scrupulously clean they find it hard to live.

The easiest and surest way to keep things clean lies in the use of Gold Dust washing powder. Gold Dust goes deep after dirt and routs out every germ and hidden impurity. It is the sanitary cleanser.

### Opportunity is Knocking at Your Door

Gold Dust is sold in 5c size and large packages. The large package means greater economy.

## GIRLS WHO ARE PALE, NERVOUS

May Find Help in Mrs. Elston's Letter About Her Daughter.

Burlington, Iowa.—"Lydia E. Pinkham's Vegetable Compound has cured my daughter of weakness. She was troubled almost a year with it and complained of backache, so that I thought she would be an invalid. She was entirely run down, pale, nervous and without appetite. I was very much discouraged but heard of Lydia E. Pinkham's Vegetable Compound through friends and now I praise it because it has cured my daughter."—Mrs. F. M. ELSTON, R. D. No. 3, Burlington, Iowa.

Case of Another Girl. Scanlon, Minn.—"I used to be bothered with nervous spells, and would cry if anyone was cross to me. I got awful weak spells especially in the morning, and my appetite was poor. I also had a tender place in my right side which pained when I did any hard work. I took Lydia E. Pinkham's Vegetable Compound and my symptoms all changed, and I am certainly feeling fine. I recommend it to every suffering woman or girl. You may use this letter for the good of others."—Miss ELLA OLSON, 171 5th St., Virginia, Minn.

Young Girls, Heed This Advice. Girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

## PRESENTED CANE TO VETERAN OF THE WAR

### WESLEY PLATT REMEMBERED WITH GIFT FROM SOLDIER FRIENDS.

As Lieutenant of Rogers Battery He Saw Active Service Through More Than Three Years—Often in Command He is Remembered as Officer Who Considered His Men.

Wesley Platt, of 866 South East street, was treated to a pleasant surprise Monday morning when a number of his Grand Army friends presented him with a cane as a token of their regard. He was summoned to call at the office of Capt. H. M. Lamb at 10:30 o'clock, and thinking he was wanted to aid in the making of an affidavit for someone he appeared at the place appointed to find a group of his friends awaiting him. Mr. Platt had remarked a few days since an attack of rheumatism before that had been bothering him recently, he could hardly get about without a cane. It was this remark coming to the ears of Robert Lutton that resulted in the presentation. The other donors were Capt. M. H. Lamb, John Brown, J. T. Self, J. L. Simms, A. J. Taylor, Sanders, Nunes and Thomas Elliott, of Chapin who was not able to be present when the cane was given to Mr. Platt. Capt. Lamb made the presentation speech and mentioned among other things how kind and considerate Lieut. Platt was of those in his command.

### Long in Service.

Wesley Platt's term of service in the civil war was a long one, as he first reached the field of duty April 1, 1861, and saw almost continuous service until he was mustered out, in January, 1865. He was among the first to enlist when President Lincoln made his call for 75,000 volunteers. As a member of company D of the 10th Illinois infantry, he went to Cairo and from there on various raids into Missouri and Kentucky. He returned at the end of his ninety day enlistment and helped organize Rogers battery of the 2nd Illinois light artillery. With a second lieutenant's commission from Governor Yates, Mr. Platt returned to the scene of war in October, 1861, proceeding first to Fort Donelson. He was much of the time in command of the battery.

### Face to Face With Rebels.

After Fort Donelson surrendered to Grant, battery K saw fighting at Columbus, Tenn., at Island No. 10, and at Fort Pillow. Stationed in the rifle pits behind Vicksburg, Mr. Platt's battery saw some of the most grilling fighting of the war. Face to face with the rebels, picking each other off at a distance of three hundred yards, the forty-six long days of siege of this confederate stronghold made up an experience never to be forgotten. Vicksburg fell July 4, 1863. Grant went east and the 2nd Illinois artillery was among the regiments left to guard the Mississippi. Mr. Platt saw some vigorous fighting under Gen. A. J. Smith on the second Red river campaign. His last year in the army saw him at various points in Louisiana and Mississippi. Mustered out in January '65, Mr. Platt has certainly had in his three years and a half service for the union cause a record of which to be proud.

## RHEUMATIC SUFFERERS ASTONISHED

RHEUMA Acts on Kidneys, Liver and Blood the First Day—and Out Goes Uric Acid Poison.

Anybody can afford to pay 50c to get rid of terrible Rheumatism, Sciatica or Gout, and that's all RHEUMA costs at Coover and Shreve who say if it doesn't do all that is claimed for it, money back.

It's wonderful how speedily this simple remedy takes hold and how the sore muscles become up and the swollen joints come down to normal. Make no mistake—RHEUMA costs but little, but it's the best remedy you can find to drive Rheumatic poison from the system and bring back health to misery-racked bodies. "I had Rheumatism for a long while, and tried many medicines, but was not cured until I used RHEUMA. I cannot praise RHEUMA too highly. My advice to those suffering from Rheumatism is to use this great remedy, as I believe it will effect a permanent cure in any case."—C. B. Lanham, Sattes, W. Va., April 2, 1912.

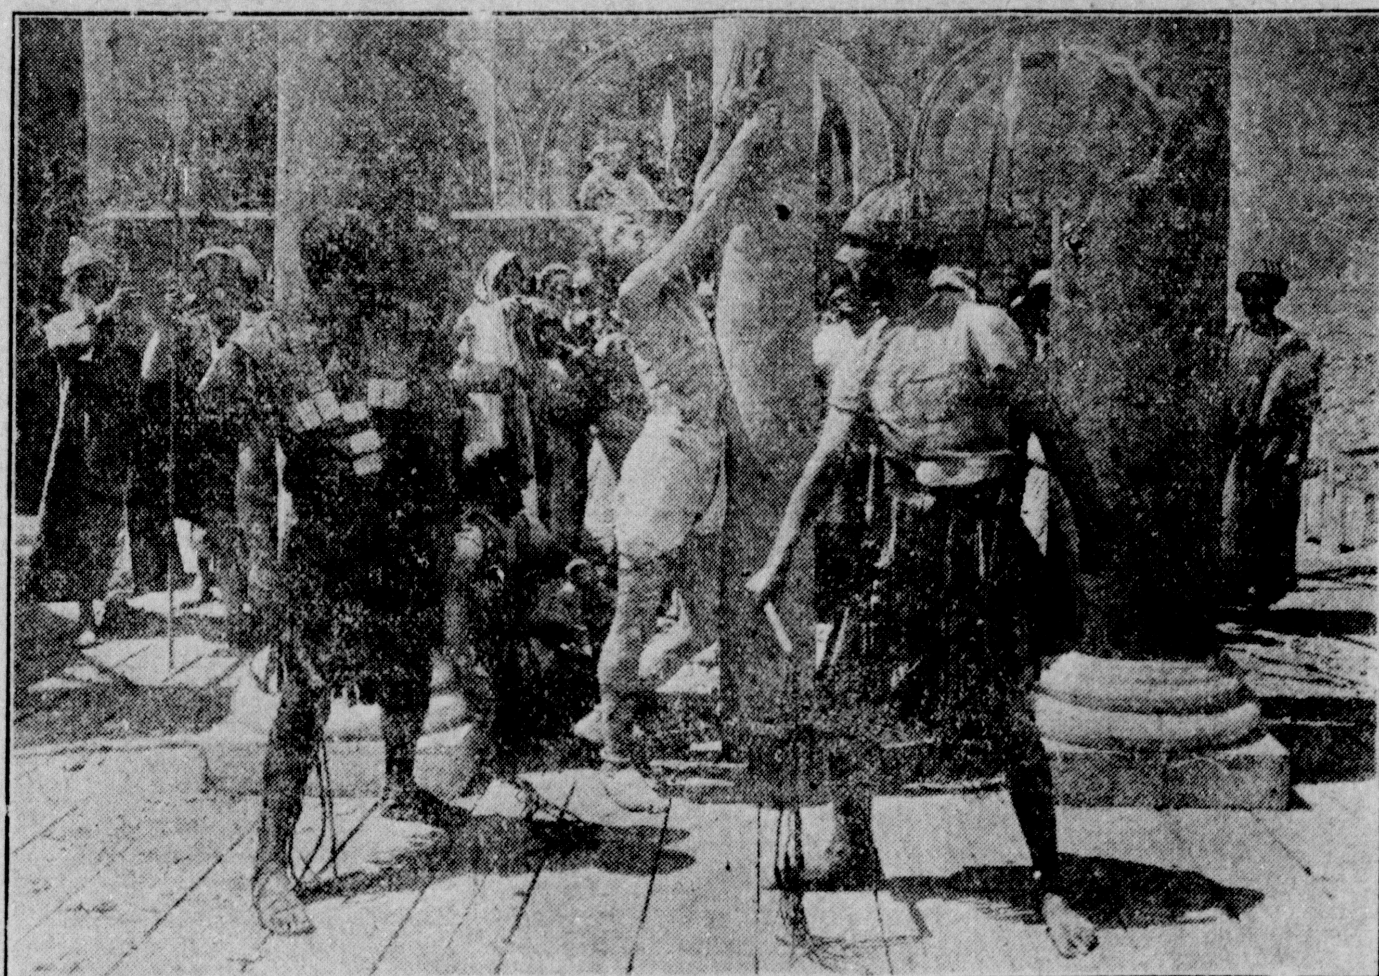

### CIGARET BARRED.

Springfield, Feb. 17.—The cigarette has had its day in Springfield. Tomorrow morning a city ordinance of ancient vintage, will be brought out and dusted off that its provisions may be proclaimed and put into force.

No longer will it be possible, if the enforcement is effective, to buy within the city a box of cork, plain or straw tips. Even the "makings" are tabooed. The "bend" will find the parcels post his only salvation.

### REAL ESTATE TRANSFERS.

Joseph E. Grey to D. M. Caddell twenty acres in 36, 12, 9; \$1,000. Rhoda Long to Ollie Brown, lots 67 and 68 in Cox's re-subdivision; \$1.

### "FROM THE MANGER TO THE CROSS."

The portrayal of the life of Christ in a magnificent Kalem motion picture film, was shown for the first time in this city yesterday at the Grand.

The film, which is in five reels, is on a larger scale than anything of its kind attempted before. The subject has been handled reverently and it is an inspiring and beautiful one. The costuming is correct and the pictures were taken as near as possible on the exact spot where they occurred.

The first reel, "The Birth of Christ," includes the Annunciation, the vision of Joseph, the journey of the wise men from the east, and the Shepherds "watching their flocks

by night." No attempt has been made to create the illusion of angels which has been one of the things that made some of the other motion pictures bearing on the subject almost a sacrilege. The presence of the heavenly hosts is made known by a white light, which is extremely effective.

### Flight Into Egypt.

In the second reel, the flight into Egypt is depicted. Mary and the child sleeping in the shadow of the Sphinx with Joseph watching near, is one of the strong scenes in this part of the film. In the third reel, the boyhood of Christ is shown, and there the Holy family returns to Galilee. Jesus in the temple with the wise men, staged after Hoffman's famous picture, is the feature of the reel.

The last reel begins with John the Baptist "crying in the wilderness" and shows Christ beginning His work. The choosing of His disciples, the miracle of changing the water into wine, and healing the sick, the resurrection of Lazarus, and of the widow's only son, the striking whole of the "man sick with palsy" are among the many scenes shown in the last two reels. Then follows the portrayal of the Last Supper, an almost exact reproduction of Leonardo di Vinci's famous painting of that subject. Gethsemane, the betrayal, the trial by Pilate, and the crucifixion are shown so realistic as to remain indelibly fixed in the mind.

Today—2 o'clock until 5:30; 6:45 until 11. No change in prices.

### TO DISCUSS LIVING COST.

Experts Will Seek to Solve Farm Markets Problem at Chicago.

Chicago, Feb. 17.—The great paradox of our times—the people are complaining of the high cost of living and the farmer at the same time is finding that his business is not profitable—is given as the basis for a call issued here today for a national conference on marketing and farm credits to be held in this city April 8, 9 and 10.

The call is issued by a committee representing a number of farm and country life journals. Farmers, railroad men, dealers in farm products, economists and agricultural experts are invited to attend.

"Compared with Europe, the business organization of American agriculture is crude," the call states. "Marketing methods and provision for the financing of farming have been far outstripped by the organization of other American industries. The condition is remedial, but a constructive program is necessary."

A bureau of markets in the United States department of agriculture is an object.

Mrs. S. S. Van Buren St., Kingston N. Y., (full name furnished on application), had such decided benefit from using Foley's Honey and Tar Compound that she shares her good fortune with others. She writes: "Foley's Honey and Tar Compound brought my voice back to me during a severe case of bronchitis and laryngitis. Oh, how many people I have recommended it to." City Drug Store—J. A. Obermeyer.

## What the One Price, No-Commission Plan of Selling Pianos Means

### TO THE PURCHASER

1st: That every piano in our store is marked at the very lowest cash price that pianos of such quality as we handle can be sold for any time and any place.

2nd: Being out of the high rent district, employing no salesmen, tuners or expensive

help enables me to sell at one small factory profit I am in a position to make the lowest possible prices on high grade standard pianos.

3rd: We are proud of the fact that we are exclusive representatives of the Famous Old Reliable Baldwin Line of Pianos and Player-Pianos. Such makes as Baldwin, Ellington, Hamilton, Howard and Monarch pianos, need no introduction to the purchasers of high grade pianos anywhere in the civilized world. Names that have been the standard for fifty years of successful manufacturing. Pianos that can only be represented by reliable dealers. These pianos have a certain commercial value, both to buyer and seller and can't be "peddled" at fifty different prices.

4th: Our terms of payments enables anyone to enjoy a piano while they are paying for it. You pay no more than the cash buyer, except a small rate of interest to pay expense of bookkeeping. Have just received a shipment of the new 1913 styles which we would be glad to have you inspect.

### COUNCIL HELD SHORT SESSION MONDAY.

Commissioner Engel Preparing to Advertise For Auto Fire Truck Bids.

The city council session Monday morning was brief indeed. After Mayor Davis had called the session to order the minutes were read and approved. As Commissioner Brennan was absent the light plant bond ordinance was not given a second reading, Mayor Davis wishing the entire council to be present when this measure is acted upon.

Commissioner Engel reported that he was in correspondence with the heads of fire departments in other cities and in due time would have specifications ready to advertise for an auto truck for the fire department.

Commissioner Newman brought to attention the matter of a new paving ordinance, a form to be used in connection with any public improvement of that kind. It was stated that City Attorney Haigrove will prepare such an ordinance form. The council then adjourned.

### AT THE GRAND.

"From the Manger to the Cross," the Kalem company's remarkable Biblical production made in Palestine, opened at the Grand last night and the theater was literally thronged with people. Sanctioned by the clergy in cities where it has been shown, the film is generally regarded as one of the greatest works ever attempted by a moving picture company. As the title indicates, it follows the life of Christ from his birth throughout the most wonderful life the world has ever known. Manager Hunt is certainly giving his theater patrons a production of splendid merit.

## MRS. G. W. BENTON DROPS DEAD ON STREET CAR

### RESIDENT OF SINCLAIR ON WAY TO VISIT SON IN ARNOLD.

Over-exertion Supposed to Have Caused Heart Failure—Remains Will be Taken to Browning Today For Burial—Coroner's Inquest This Afternoon.

Just as she boarded west-bound car No. 27, at the transfer station on the south side of the square Monday afternoon at 5:15 o'clock, Mrs. G. W. Benton of Sinclair remarked: "I nearly missed it," and fell on the platform dead.

Mrs. Benton had come to Jacksonville Monday afternoon at 3:55 o'clock on her way to Arnold to visit at the home of her son, Walter Benton. She came to town and went to the office of Dr. G. R. Bradley, where she secured some medicine for her son's wife, who is quite ill. She ran to catch the 5:15 car, which was No. 27, in charge of Motorman Ellis Brainer and Conductor Nathan Gaddis, and it is supposed that she intended to get off at Church street and walk to the Wabash station to take the 5:19 train for Arnold. She got on the car just before it started and with the exclamation, "I nearly missed it," fell to the platform. Conductor Gaddis stopped his car just as it approached the curve on the southwest corner of the square and several doctors were called. While waiting for a response some passengers and the conductor got some water and made an effort to revive Mrs. Benton, from what was thought to be a faint.

Mrs. Benton Pronounced Dead. Dr. George Stacy was the first to arrive and shortly afterward Dr. C. E. Black, the company's physician, was on the scene, and after an examination they pronounced her dead. The remains were then taken to the Reynolds undertaking establishment on the car.

Mrs. Benton had been receiving treatment for heart trouble for some time and it is thought that over-exertion in running for the car caused heart failure.

Walter E. Benton, the son who resides at Arnold, was notified and he came to the city on a Wabash freight Monday night and Mr. Benton and his daughter, Miss Fannie, came in from Sinclair on the Chicago & Alton at 10:49 o'clock last night.

Inquest to be Held Today. Coroner George W. Wright had gone to Franklin Monday afternoon at 2 o'clock and he was notified of the death. Deputy Coroner J. G. Reynolds empaneled a jury consisting of F. L. Sharpe, foreman; Anthony Kennedy, John Magill, F. L. Hairgrove, Isaac W. Worfolk and W. J. Eads, clerk. After swearing in the jurors the inquest was adjourned until 2 o'clock this afternoon.

Mrs. G. W. Benton, whose maiden name was Sarah E. Lane, was born Sept. 23, 1846, and was married to G. W. Benton in Schuyler county, March 16, 1871. The family moved to this city a number of years ago and for about five years they resided on Park Place. For the past thirteen years the family has resided in Sinclair and they have a large circle of friends who will extend their sincere sympathy in their bereavement. The deceased is survived by her husband, one son, Walter E. Benton of Arnold, and one daughter, Miss Fannie Benton at home. One son, Harry, preceded his mother in death, passing away in 1900. She is also survived by the following half-brothers and half-sisters: John Bryant of Bader, George Bryant and Mrs. Julia Bell of Astoria and Mrs. Julia Griggs of St. Louis. Mrs. Benton was a member of the Methodist church.

The remains will be taken to Browning, Schuyler county, this morning at 11:22 o'clock via the Burlington and funeral services will be held there Wednesday afternoon. Interment will be made in Oak Ridge cemetery at Browning.

Miss L. L. Davies, a representative of the Butterick Publishing Co., New York, will be with us today and Wednesday. We invite you to call. Full information about all the new spring styles. Butterick Styles lead the world. The sun always shines on the Butterick name. Hillerby's, Safest Place to Trade.

### MISS HELEN BARR TO WED MR. FOSTER RENNICK

Announcement Made at Miscellaneous Shower Given by Misses Helen Reaugh and Edna Cox — Wedding in March.

At a miscellaneous shower given Monday afternoon by Misses Helen Reaugh and Edna Cox, at the home of the former on West College avenue, announcement was made of the engagement of Miss Helen Barr to Mr. Foster Rennick of Chicago.

The house was appropriately decorated for the occasion, with red roses, hearts and candies. The afternoon was spent in a social way and in the games played prizes were won by Miss Irene Cox and Mrs. Harry Maddox.

The announcement was made by means of the large bride's cake, which contained the initials of the young people. The cutting of the cake was an enjoyable event and the following received the various articles: ring, Miss Agnes Rogers; thimble, Miss Edna Cox; dime, Miss Sue Fox; penny, Miss Ruth Taylor; needle, Mrs. George Merrill. The marriage will take place next month.

PAID TRIBUTE TO DR. WILLARD. President Rammelkamp at the Monday morning chapel expressed in a few touching remarks the appreciation of Illinois College of the work and life of the late Dr. Samuel Willard. He spoke especially of his independence of thought, mentioning the incident of his arrest for having harbored a runaway slave and of the interest and loyalty he had always shown in all college enterprises.

WESTMINSTER GUILD. The young ladies of the Westminster Guild entertained Monday afternoon by the Misses Holmes on West College avenue. The guild is just finishing a course of study on Mormonism.

Miss Elizabeth Hofferkamp who has been the guest of her cousin Mrs. Patrick Shanahan, expects to return to her home in Springfield to day. She will be accompanied by Mrs. Shanahan, who will visit with her parents, Mr. and Mrs. Herman Hofferkamp for a few days.
